

The Donor Tree

Thank you for your interest in DuBois Regional Medical Center's Donor Tree, which publicly salutes those who have generously supported close-to-home health care and have participated in the hospital's growth into the region's premiere healthcare provided.

Beginning in 2005, all donors who contribute a cumulative total of \$1,000 or more within a calendar year are permanently recognized on the tree according to giving level. Every year the donor meets the \$1,000 or more level, their name and year of the gift will be added to the tree.

A "Giving Key" posted near the Donor Tree defines the various symbols, colors, and sizes for each level of giving. Specific dollar amounts are not listed.

Donors of gifts up to \$999 within each calendar year are listed in an annual leather-bound book found in the West Wing atrium.

Anonymous gifts are displayed without donor names.

Gifts from "DRMC Family" (current employees, medical staff, hospital and auxiliary Board members, and active volunteers) are designated by the DRMC logo.
